

Types of Quilting

Stipple: An all over curvy free motion stitch that does not cross over itself. It is also known as meandering.

Pantograph: A design is stitched from one edge of the quilt to the other. It is repeated over the entire quilt.

Block Designs: A single design stitched inside the blocks of a quilt.

Basting: An all-over loose stitch used to temporarily stabilize all 3 layers of a quilt. It is primarily used to prepare the quilt for hand quilting.

Custom Quilting: We can work with you to create a specialized design to enhance your project. The above quilting styles can be combined with other quilting techniques. Talk to Ann when you drop off your quilt! (Additional charges apply)

SEW WHAT? QUILT SHOP

Professional Quilting Services

Thank you for your interest in Sew What? professional quilting services.

This hand guided long arm machine service provides the consumer with a quality finished product that will be cherished by your family for years!

We understand the emotional & physical effort it takes to complete a quilt top & we would like to enhance your work by helping you complete an heirloom.

Options include thread color, batting type & quilting design.

We are always willing to discuss options that would fit your needs for the quilt.

Please prepare the quilt as listed below.

-Top should be completed & squared with all seams secure.

-Top should be free of wrinkles & puckers. Tucks & puckers cannot be quilted out.

-Backing should be 6" - 8" wider & longer than the top.

-Backing should be pieced & squared, preferably on grain. If the back is not pieced a \$10.00 charge will be added.

-The layers should be separate, not basted in any way.

-If the border is pieced, it must be stay stitched or there will be an extra charge of \$10.00.

Charges

- Base price is by square inch.

- *2.5¢ per square inch for a basic or simple pantograph.*
- *2.75¢ per square inch for a complicated or simple custom pantograph.*
- *3.0¢ per square inch for a highly customized and/or elaborate pantograph.*

-Additional charges may apply for pieced backs, fixing tears, rips, puckers, etc.

-Additional charges for specialty threads.

-Quilts are completed in turn. Quilts are considered "in line" when they arrive on premises.

All attempts will be made to meet deadlines. There is a \$50.00 Deadline fee for all rush orders.

Other Charges

\$10.00 for stay stitching.

\$10.00 for pieced backing.

\$40.00 for machine basting on all quilts up to 3500 square inches.

\$50.00 for machine basting on all quilts measuring between 3501 - 7500 sq. in.

\$60.00 for machine basting on all quilts larger than 7500 square inches.

Sew What? does have a binding service:

\$40.00 for machine finished binding on all quilts up to 3500 square inches.

\$50.00 for machine finished binding on all quilts measuring between 3501 - 7500 sq. in.

\$60.00 for machine finished binding on all quilts larger than 7500 square inches.
